

# Stolen!! What to do when ID Theft happens to you!

## Steps to take if your identity is stolen!

1. Immediately report any suspicious credit card activity or identity theft.
2. Create a file to stay organized
3. Place security freezes on Experian, Equifax, and TransUnion.
4. File identity theft report online with the FTC:  
[www.identitytheft.gov](http://www.identitytheft.gov)
5. File a police report at your local police department.
6. Keep copies of your identity theft report and police report in a safe place.
7. Obtain a copy of your credit report from all three agencies.
8. With your credit report, review for fraudulent accounts, recent credit inquiries, addresses, and dispute if necessary.

## Protect Yourself

- Protect your mailbox
- Be careful what ends up in the trash
- Protect your information on junk mail
- Invest in a safe or firebox
- Use varying passwords online
- Utilize password managers to keep your passwords complex and safe.

### Password Managers

Lastpass, 1Password, Dashlane, Enpass, Keeper, LogMeOnce, RoboForm, Sticky Password

These steps will lower your chances of having your identity stolen. There isn't anything out there that is a 100% guarantee, but increasing your protection is the first step.

Thank you for attending today! If you have any questions about today's talk, please feel free to contact me. I'm happy to help!

-Jen
