

Big Sir Report

My fellow Sirs:

I first want to thank Heber Slusser for his service as Big Sir this past year. Among many other things, he helped us to transition to our new lunch venue at Macara. He and others before him give me challenging examples to follow as your 2024 Big Sir. I also want to thank Bruce Edmundson for taking on the role of Little Sir and for all our leaders who continue to support Branch 62.

Second, thank you all for making our dinner at Café Vitale last month a huge success with 36 attending.

For many of you who don't know me, I am a retired engineer. My wife Nancy and I moved from Minnesota 54 years ago on a job transfer to where we have raised our 3 kids and 7 grandkids here in Sunnyvale. I am proud to be a member of the Sunnyvale community and a member of Sunnyvale Branch 62.

We have a few challenges ahead this New Year. Our declining membership leaves us at 38 members. 38 who help fill what I count to be 65 positions, including officers, directors, committees, and our many activities. Which means that many of you have taken on more than one role in our branch, for which I am deeply grateful.

So, I believe one of our goals this year is to continue increasing our membership. I'd like us to reach 50, another 12 active members as early as we can in 2024. Our outgoing Big Sir has volunteered to take on the task of working with Jeff Bautista to achieve this goal. This can't happen without your help, so please consider it your personal goal as well.

I look forward to the coming year and ask that you continue to support your new Big Sir as you did Sir Heber this past year.

Best regards,
Mike Miller
Your 2024 Big Sir

18 HOLE GOLF

Walt Marwitz – Golf Reporter

SIR December 18 Hole Golf Review

Yes, we can't quite turn back as far in our abbreviated backswing and the speed of our downswing just isn't quite the velocity it was years ago. Maybe our drives are not as long or straight anymore nor can all of us see where they land, even if in the fairway. We ride an electric cart instead of pushing along our bag of gently aged clubs. And maybe, just sometimes, we forget how many strokes it actually took to get the ball down into the hole that seems to get smaller every year. But we are seniors and amateurs and that's all good because we have had a boat load of fun on the golf course for a year of Mondays.

We took our clubs this past month to the Area Tournament at Spring Valley; the Los Lagos course, where the foxes now proudly sport their winter coats, and to San Jose Muni in almost shirt sleeve weather. Then it was back to Spring Valley to search for the balls we lost there the last time. Unfortunately, the round scheduled for December 18th had to be canceled due to rain. Christmas pushes us back to Wednesday on the 27th at Los Lagos and New Year's will move us to Wednesday the 3rd, again at Los Lagos. Monterey Pines will then be followed by Spring Valley and Santa Teresa.

Ruby Hill Winery – January 24, 2024

This trip features a tour of the vineyard in an old school bus which once transported the Grateful Dead Rock Band and was obtained by the winery and converted for vineyard tours by replacing the seats with cut out wine barrels, fully cushioned and swiveling for good views. There is also wine tasting and snacks. To keep it simple and inexpensive, we plan to drive to the winery – perhaps arranging carpools.

We have now filled one session of this trip (14 people) and additional people have indicated interest. We are considering setting up a second trip, either later the same day or the next day. (This might mean some of the present people moving to the other trip.) We will decide about an additional trip at the January 2024 luncheon. If you are interested, please contact Jim and specify your preference about when you would like to go and arrange to send in your payment (\$45) or bring it to the luncheon. There are pictures from a previous visit on our web site (see link below).
