“MEN ENJOYING ACTIVE RETIREMENT”

Today's Speaker

Lt. John Nores Jr (ret) "Hidden War - How Special Operations Game Wardens are Reclaiming America's Wild Lands from the Drug Cartels." Lt. Nores was the team leader for California Dept. of Fish and Wildlife's Special Operations Marijuana Enforcement Team (MET). He will give us an overview of the success and challenges of his team's fight to stop international drug trafficking organizations from destroying our nation's wildlife, wild lands and waterways throughout the United States. Reviewing his team's first five years of operations, John will cover cartel environmental crime trends over that time period and highlight his team's development and use of amazing K9s to stop the decimation inflicted on our nation's wildlife resources by these clandestine groups.

We are sorry to announce the passing of a dear friend and member of our SIR Branch 62.

In commemoration of Russ' life, his family says "it would be a blessing if each one of you would consider donating a unit of blood in his memory. Each person who donates a unit will be helping 3 people who need a transfusion."

Who Are We? Sunnyvale Branch 62!

WATCH OUR INFORMATIVE VIDEO! >>> [Click Here](#)

Sons In Retirement (SIR) is a nonprofit public benefit corporation for retired men, devoted to the promotion of independence and the dignity of retirement. SIR's purpose is to assist men in renewing former friendships and provide opportunities to make new friends through association with other retirees.

We Create Activities Our Members Enjoy

We have monthly luncheons with interesting speakers and good fellowship. Additionally, our members enjoy doing a variety of other activities including golf, bowling, card games and more. Many activities like travel, dining, picnics, and holiday parties include our ladies and guests. To get more information on our activities click on the icons to the right. For speaker information, click on the Calendar menu button above.

But There Are Some Things We Don't Do!

We don't raise money. We don't have a political agenda. We don't have a religious orientation. We don't sell light bulbs or anything else. We don't have a problem with organizations that do these things, it's just that we don't. You've paid your dues to the working world - it's time to enjoy life.

We meet at the [Mariani's Inn & Restaurant](#) in Santa Clara, California on the 3rd Thursday of each month (see [calendar](#)).

Are you retired or semi-retired and want to make new friends, participate in fun activities and better enjoy your leisure time?
