# Today's Speaker

## Richard Horrell “**The Perfect Cup of Coffee**”

Mr. Horrell is one of the owners of “Big Bully Roasters”. Getting a GREAT cup of coffee is no accident. Richard is a fanatic about his coffee. He will go over some of the things necessary to get that perfect cup of Joe. What are some of the things you should be doing and what things need to be changed. He and his co-owners are also fanatics about their bulldogs from which the company gets its name, **Big Bully Roasters**.

## Who Are We? Sunnyvale Branch 62!

WATCH OUR INFORMATIVE VIDEO! >>> [Click Here](#)

Sons In Retirement (SIR) is a nonprofit public benefit corporation for retired men, devoted to the promotion of independence and the dignity of retirement. SIR's purpose is to assist men in renewing former friendships and to provide opportunities to make new friends through association with other retirees.

## We Create Activities Our Members Enjoy

We have monthly luncheons with interesting speakers and good fellowship. Additionally, our members enjoy doing a variety of other activities including golf, bowling, card games and more. Many activities like travel, dining, picnics, and holiday parties include our ladies and guests. To get more information on our activities click on the icons to the right. For speaker information, click on the Calendar menu (under News & Events) button above.

Now that the COVID-19 restrictions are lifting a little, in June we will be starting to have in-person lunches as we have done before. Now teaming up with Branch 54, we will meet at the Three Flames in San Jose.

## But There Are Some Things We Don't Do!

We don't raise money. We don't have a political agenda. We don't have a religious orientation. We don't sell light bulbs or anything else. We don't have a problem with organizations that do these things, it's just that we don't. You've paid your dues to the working world - it's time to enjoy life.
